1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gerald Hespos on 12/19/05. This examiner amendment is being made to over come newly found art to Plyler et al (US5145402).

The application has been amended as follows: **Cancel claims 1-3.**

2. The following is an examiner's statement of reasons for allowance:

The examiner agrees with the applicant's argument that the "bite-in portion" of the applicant's is quite different from the "sealing member 51" of the Ichio et al reference (US6302734). This bite-in portion is defined at length throughout the specification and is basically hard and protruding while the sealing member of Ichio is soft and deformable.

Reasons for allowance of claims 4, 5, 8 and, 10 were given in the previous office action.

Newly discovered prior art Plyler et al discusses some claim elements except for the bite in portion extending from a wall of the housing substantially near the

terminal accommodating space. The bite in portion of Plyler does not extend from a wall of the housing but from an internal part and it also is not substantially near the terminal space.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael C. Zarroli whose telephone number is 571-272-2101. The examiner can normally be reached on 7:30 to 3:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, T.C. Patel can be reached on (571) 272-2800 ext 39. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
